

ACCESS STATEMENT FOR THE FARMHOUSE

Introduction

Exmoor Cottage Holidays is in the peaceful rural settlement of Challacombe within The Exmoor National Park, and about 250m/274yds from a traditional award-winning Inn and a shop and Post Office. There are five rental cottages (sleeping two to six people) converted from a former farm, all with log fires and enclosed gardens.

The two-storey Farmhouse sleeps up to six people and has three bedrooms, a bathroom and shower-room (both with WC's) upstairs; and a sitting room, dining room, kitchen (with Rayburn cooker) and laundry-room (with WC) downstairs. There is a small enclosed patio to the front, and an enclosed garden to the rear with a picnic table and BBQ.

The Farmhouse was partially renovated in 2007 with the addition of a new kitchen and downstairs WC, and was fully double-glazed in 2011.

We look forward to welcoming you to the Farmhouse. If you have any queries please telephone us on 01598763320 or [send us an email](#).

Please note that all widths given below are minimum widths. All pillows and duvets are cotton and man-made fibres, not feather-filled. Unless mentioned, all *taps* are twist type rather than lever; all *armchairs* and *sofas* are padded and have arms; and all other *chairs* are not padded and are without arms.

Before you arrive

The nearest railway station is in Barnstaple 20km/12.5miles away. The line connects to Exeter St Davids.

Tiverton Parkway railway station is 52km/32.5miles away.

There is a National Express service from Barnstaple bus station 18km/11.3miles away.

The nearest scheduled bus service (the 310 between Barnstaple and Lynton) is operated by Filers Travel and stops at Friendship Corner on the A399 5km/3.1miles away.

There is a taxi service based in Challacombe see www.webberstaxis.co.uk (telephone 01598 763467) with several vehicles including a 16-seater minibus.

Arrival

Arrival is between 3-5pm. If you may arrive after this please call 07985 611456 and we will arrange to leave the keys somewhere safe (if there is no answer please leave a message and we will get back to you).

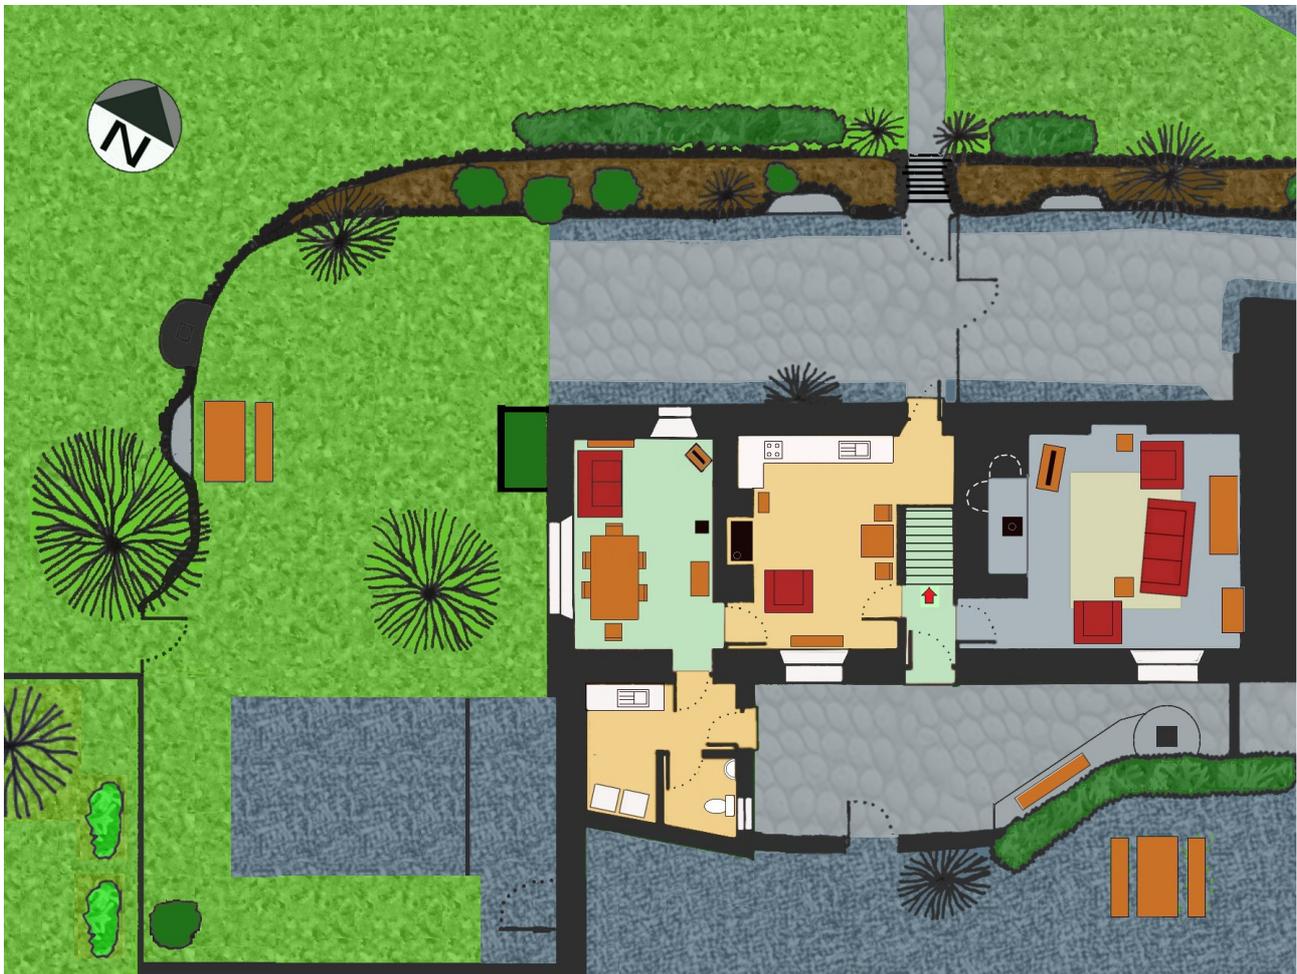

There is ample parking in the car park but please let us know if you intend to bring more than one vehicle. You may drive into the courtyard to load and unload - the main door to the Farmhouse is 7m/7.7yds from the courtyard, the ground surface is gravel and uneven stone paving and there is a wooden gateway (890mm/35ins wide). The car park and courtyard have a gravel surface and the car park is about 35m/38.3yds from the main door. There are no designated disabled parking spaces.

There is no permanent outside lighting or street lighting, but the car park and courtyard are partially illuminated by a floodlight triggered by movement.

Entrance

There are two front entrances to the Farmhouse. The main doorway (860mm/33.9ins wide) opens inward into a compact hallway (960mm/37.8ins x 1120mm/44ins) over a small sill (45mm/1.8ins high). The door is opened by a large old-fashioned key, inserted into the lock upside down, and turned clockwise. There is coir matting on the floor. There are doorways either side to the kitchen and sitting room, and a staircase straight ahead.

The other front door (680mm/26.8ins wide) opens inward to the laundry room over a sill (125mm/4.9ins high). The floor inside is ceramic tiles. There is an outside light operated from the laundry room.

GROUND FLOOR PLAN OF THE FARMHOUSE

Sitting room

The sitting room is on the ground floor to the right of the main entrance. The doorway is 785mm/30.9ins wide and has a small sill 60mm/2.4ins high.

The floor is slightly uneven stone slabs with a central covering of reed matting.

There is a leather three-seater sofa; two leather armchairs (with a third armchair in the kitchen); a 32-inch digital Freeview TV with integral DVD player (and remote control) on a table; a cupboard full of board games, a nest of three tables (which can all be moved) and a large wall-mounted mirror and large wooden dresser with a plate display rack.

Lighting is from a large southeast window; several wall-mounted uprights and there is a standard lamp.

Heating is by an electric night-storage radiator and a multi-fuel stove in a large inglenook fireplace. There is a fire guard.

There is a connecting door to Inglenook Cottage (795mm/31.3ins wide) with a small sill (30mm/1.2ins high) which will be locked unless you have hired both cottages. Behind this door is an insulated and fireproofed panel.

Kitchen

The kitchen is on the ground floor to the left of the main entrance. The doorway is 803mm/31.6ins wide.

There is a stable door from the kitchen to the rear garden (675mm/26.6ins wide) with a small step up (65mm/2.6ins high). There is a light outside operated from the kitchen.

The floor covering is cushion vinyl, which is slightly uneven being laid upon an old ashlar floor. There is a quarry tile hearth in front of the Rayburn cooker (5mm/0.23ins high).

There is an upright high-backed armchair beside the Rayburn; a small breakfast table (top 740mm/29.1ins above the floor) with a leg at each corner (the legs are joined together 170mm/6.7ins above the floor) and two gate leg extensions, seating up to four persons. There are two chairs (not cushioned) and extra chairs are available in the dining room. There are two free-standing storage racks. All of these can be moved.

There is an 'L-shape' kitchen worktop (910mm/35.8ins above the floor), with a sink-and-a-half and drainer (with lever mixer taps), and an electric 4-ring hob. Under the hob is an electric oven, the door of the oven drops down and the handle is 260mm/10.2ins above the floor. Above the hob is a cooker-hood which extracts to the outside, the slider controls are 1715mm/67.5ins above the floor. There are cupboards under the worktop, the lowest shelf being 170mm/6.7ins above the floor. Above the worktop are wall cupboards, the highest shelf being 1700mm/66.9ins above the floor. Crockery can be moved from the upper to the lower cupboards if required, please ask.

There is an under-counter fridge, separate freezer (both with lowest shelf 215mm/8.5ins above the floor) and a slimline front-loading dishwasher. There is a microwave (shelf 1035mm/40.7ins above the floor).

There is an oil-fired Rayburn cooker with a top-plate (970mm/38.2ins above the floor – the covering lid is heavy to lift), an oven for slow cooking (510mm/20.1ins above the floor) and a warming oven (200mm/7.9ins above the floor). The Rayburn provides constant hot water and space-heating for the kitchen and one radiator upstairs. Cooking pans are stored on a rack over the Rayburn 1700mm/66.9ins above the floor.

Lighting is from a large southeast window, a part-glazed stable door; a central overhead light, wall-lights, and under-cupboard (and cooker-hood) lights above the work surface.

Dining room

The dining room on the ground floor is accessed from the kitchen and from the laundry room. The doorway from the kitchen is 845mm/33.3ins wide and has a small sill 25mm/1ins high.

The floor covering is short-pile carpet. There is wainscotting on all four walls to a height of 820mm/32.3ins.

There is a heavy oak eight-person dining table with six chairs; a two-person sofa; a 21-inch digital Freeview TV (with remote control) on a wooden table and a hostess trolley. All these can be moved. The dining table can be extended (please ask) and there are two extra chairs in the kitchen. The table is 760mm/29.9ins above the floor (the four legs are joined together with a long central stretcher 125mm/4.9ins above the floor). There is a wall-mounted bookshelf.

Lighting is from a large southeast window and a small northwest window; two overhead lights and an anglepoise lamp.

Heating is from an electric night-storage radiator and a separate electric convector heater.

Laundry room

The laundry room is on the ground floor and is accessed from the outside and from the dining room. The door from the dining room is 845mm/33.3ins wide and there is a slight slope downwards for 610mm/24ins and then a step down of 85mm/3.3ins.

The floor covering is ceramic tiles with a mat in front of the external door.

There is a washing machine and tumble dryer, both standard-size and front-loading; a worktop with sink and drainer (915mm/36ins above the floor); coat-hooks (1670mm/65.7ins above the floor); an iron & ironing board; a Henry Hoover and a mop & bucket.

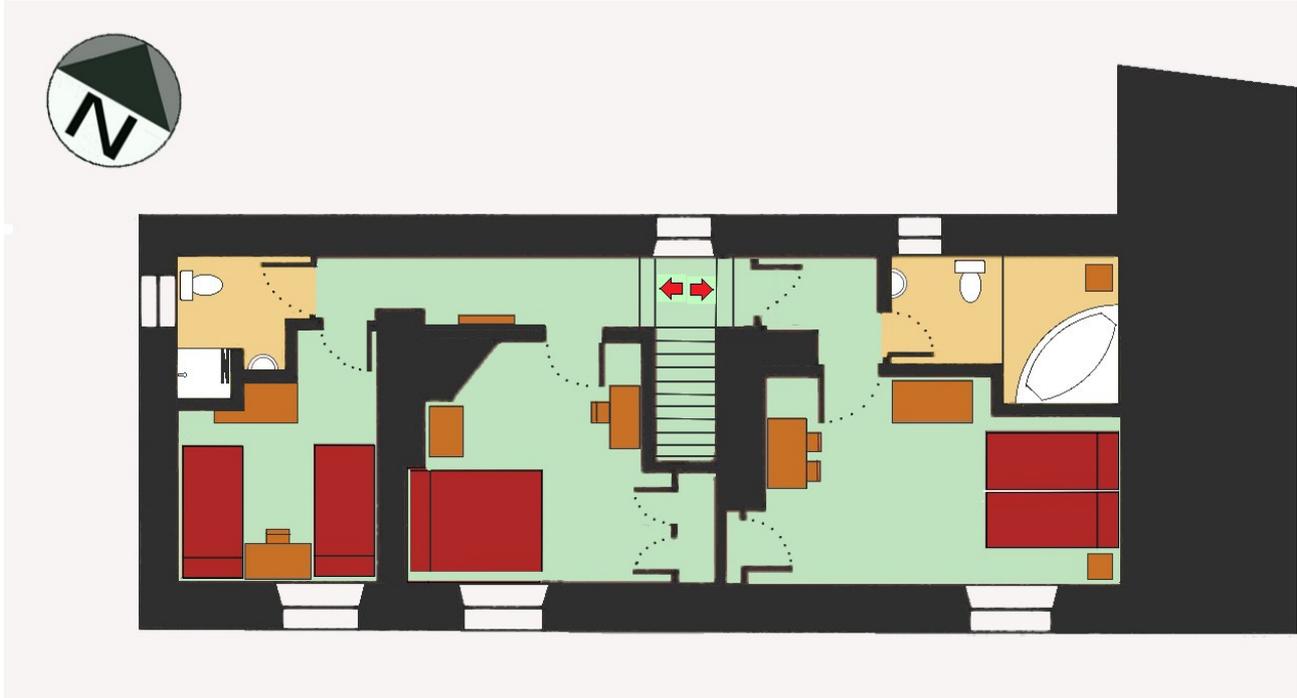

There is a door (715mm/28.1ins wide) into a cloakroom which has a small hand-basin (885mm/34.8ins above the floor) and a low-level WC (430mm/16.9ins above the floor).

The laundry room is lit by a dim overhead light, the cloakroom by an northeast window and a wall light – the pull switch also operates an extractor fan.

Staircase and landings

The staircase and landings are well-lit and carpeted with short-pile carpet, with a rug runner. The stairs are a minimum of 865mm/34.1ins wide and there are 11 risers in a straight run, each 190mm/7.5ins high. There is a handrail on one side. At the top of the stairs the landing goes to the left and to the right, in both cases there are two further steps up (each 205mm/8.1ins high) without handrails. The narrowest part of either landing is 750mm/29.5ins. There is a wall-mounted bookshelf and towel rail on the main landing above a radiator (heated by the Rayburn in the kitchen).

Lighting is from a Northwest window and two ceiling lights.

FIRST FLOOR PLAN OF THE FARMHOUSE

King or twin bedroom

The larger twin (or King) bedroom is upstairs to the right of the stairs. There is a doorway (795mm/31.3ins wide) from the stairs to a small hallway, off which is the bedroom and a bathroom. By closing the door to the stairs, this bedroom can be en-suite. The doorway to the bedroom is 715mm/28.1ins wide.

The floor covering is short-pile carpet.

There are two standard single divan beds, which can be joined together to make a King-size bed (610mm/24ins above the floor) with bed linen; a large chest of drawers; a narrow tall chest of drawers; a double children's school desk (645mm/25.4ins above the floor) and two children's chairs. All of these can be moved. There is a wall mounted mirror and a built-in wardrobe (containing spare blankets) with a large drawer.

Lighting is from a southeast window and two overhead lights and one bedside table lamp.

Heating is from an electric night-storage radiator.

Bathroom

The bathroom doorway is 715mm/28.1ins wide. The floor covering is short-pile carpet. There is a step up to the bath area (150mm/6ins high).

The bathroom has a small chest of drawers (which can be moved); a hand-basin (765mm/30.1ins above the floor) with mirror above; a low-level WC (415mm/16.3ins above the floor) and a large corner bath (535mm/21.1ins above the floor).

Lighting is from a northwest window; two overhead spotlights and a strip-light above the basin (with a shaver point). The light pull switch operates an extractor fan.

Heating is from a cord-operated wall-mounted hot-air blower (the cord is 1220mm/48ins above the floor). There is an electrically heated towel rail.

Hot water is provided by the Rayburn, this can be supplemented by an immersion heater, the switch for which is in the double bedroom 1200mm/47.5ins above the floor.

Double bedroom

The double bedroom is upstairs to the left of the stairs and is accessed from the landing. The doorway is 805mm/31.7ins wide.

The floor covering is short-pile carpet.

There is a standard wooden framed double bed (515mm/20.3ins above the floor) with bed linen; a large chest of drawers and a dressing table with a mirror and a chair. These can all be moved. The top of the dressing table is 755mm/29.7ins above the floor with 550mm/21.7ins underspace. There are two built-in wardrobes (containing spare blankets) and an airing cupboard.

Lighting is from a southeast window; an overhead light and two bedside table lamps.

Heating is from an electric night-storage radiator.

Twin bedroom

The twin bedroom is upstairs to the left of the stairs and is accessed from the landing. The doorway is 715mm/28.1ins wide.

The floor covering is short-pile carpet with a rug runner.

There are two standard single divan beds (both 570mm/22.4ins above the floor) with bed linen. Both beds have storage compartments. There is a large dressing table with drawers and glazed top (770mm/30.3ins above the floor, 590mm/23.2ins underspace) and a chair, which can all be moved although there is limited space. There is a built-in wardrobe.

Lighting is from a southeast window; an overhead light and bedside table lamp.

Heating is from an electric night-storage radiator.

Shower room

The shower room is upstairs, accessed through a doorway 720mm/28.3ins wide from the landing.

The floor covering is cushion vinyl.

There is a hand-basin (815mm/32.1ins above the floor) with mirror above; a low-level WC (425mm/16.7ins above the floor) and a shower cubicle with an electric shower. The shower cubicle is 690mm/27.2ins by 725mm/28.5ins with a concertina door (entrance

540mm/21.3ins wide) and a step 300mm/11.8ins high.

Lighting is from a southwest window; an overhead light and a strip-light above the basin (with a shaver point).

Heating is from an electric cord-operated hot-air blower, the cord being 1440mm/56.7ins above the floor.

The electric shower is powered from the mains and heats its own water.

Front and Rear Gardens

There is a small enclosed patio front garden with uneven stone slabs and a small bench. The enclosed rear garden is part uneven stone slabs and part mown grass, and has an 'A-frame' style picnic table, a built-in stone bench and a built-in stone BBQ. There is a gate to the grounds (1550mm/61ins wide) and a gate to the patio behind Inglenook Cottage which leads to the car park through a second gate over uneven stone paving (both gates are 920mm/36.2ins wide).

Grounds and Play Area

The courtyard and car park have a mostly gravelled and level surface. Beside the car park is a mown grass ramp (with a slope of about 1 in 4 or 25%) to mown grass footpaths (sloping up about 1 in 10 or 10%), which may be slippery and muddy when wet, leading to Humphrey's Hill, where there are mown grassed paths through un-mown meadows with two wooden benches beside the paths.

Beside one of the paths is a large wooden play structure with two towers, linked by a bridge. The ground below and around the play area is impact-absorbing rubberised grid, penetrated by mown grass. One tower has a ladder and a cargo net, and off the tower is a long bar supported by an A-frame, from which hangs a swing; the second tower has a climbing wall, a fireman's pole, and a slide. The play equipment is not fitted with any specific accessibility aids and any children using the equipment must be under 12 years old and supervised by an adult.

From the car park is a five-bar gate leading to a mown grassed area with a wooden 'A-frame' style picnic table. This area is often wet and muddy when it has rained. There is a gravel path leading to a pond, and a mown grass path leading to a bench overlooking the pond. The rest of this area is left un-mown, except for a grassed path around the perimeter, which is often wet and muddy after rain.

Other information

Dogs are welcome in the cottages (for an additional charge).

WiFi is available free of charge but the connection to the internet is shared between the cottages and uses a BT line. It is suitable for web browsing and email, but not for gaming and streaming video.

There is limited mobile reception on site using the T Mobile/EE network, but reception on other networks is improving. In an emergency a mobile phone can connect to 999 via any network even if the preferred network has no signal or is unavailable (but if no networks

are available then calls cannot be made to emergency services). We have a land-line telephone in our laundry room which you are welcome to use when we are on site. There is a card-operated payphone about 250m/274yds away, outside the local shop (cards are available in the shop), which can be used free of charge for an emergency call to 999.

A welcome pack is provided free of charge in the cottage with milk, sugar, tea, coffee; shampoo, conditioner & hand soap; tea towels; dishcloth; toilet roll; dustbin bags; and surface cleaners.

We can provide a high-chair, stair gate, fire guard and/or travel cot, if required (at no charge but subject to availability).

All cottages are equipped with smoke and a carbon monoxide detectors; powder and foam fire extinguishers and a fire blanket.

A wooden shed beside the car park has recycling/waste facilities and a store-room for logs and kindling. Access to the shed is via a concrete ramp 670mm/26.4ins wide (or up a step up of 85mm/3.3ins). The first inward opening door, for waste and recycling, is 630mm/24.8ins wide and there is 560mm/22ins wide access between a row of three black wheelie bins on one side (for general waste), and shelves with recycling boxes and bags on the other side (for tins, plastic, glass, newspapers, magazines and cardboard). There is a metal bin for food waste and ashes (which will go onto our compost heap). The second inward opening door, for extra logs and kindling, is 665mm/26.2ins wide.

Comprehensive information about the cottage, the village and the surrounding area is given in an information book in the cottage, along with a selection of useful telephone numbers. This is not available in large print, but we are more than happy to go through it with you if required.

We are usually on-site from 9am to 5pm every day except Sundays. We know the area very well and are always happy to help you plan your day and make the most of your stay.

There is a laundry room available whenever we are on site, with a washing machine, washing powder, tumble drier, iron and ironing board that you may use free of charge. We are usually happy to wash and dry your clothes for you, free of charge, so that you can enjoy your day in full. Access to the laundry room is across a gravelled courtyard, through a doorway opening inwards 635mm/25.0ins wide, over a sill 80mm/3.25ins high to a small step 220mm/8.7ins deep, then down 170mm/6.75ins to a vinyl floor. The washer and dryer are conventional domestic floor-mounted and front-loading models.

We provide additional services if required (at an additional charge, see the information book for full details) including daily and mid-stay cleaning, bed-making service, provision of towel sets, additional bed linen, logs and kindling, ironing, breakfast packs of local produce (and cooking them if required), baby-sitting and dog-sitting. If you are interested in any of these services please ask.

About 250m/274yds away from the cottages is a traditional Inn www.theblackvenus.co.uk which serves real ales and award-winning homemade food, and a general stores, Post Office and Exmoor Information Point.

The nearest Hospital with Accident & Emergency is in Barnstaple (16km/10miles); the nearest doctors surgery is in Combe Martin (14km/8.8miles).
